Greetings and welcome to you all.

Rosehill College is a co-educational secondary school that sits within the Ngāti Tamaoho rohe. This area extends from north of the Tamaki Isthmus to south of the Waikato River, to the Whangamarino wetlands. It extends from the West Coast to the Hauraki Gulf/Firth of Thames. Ngāti Tamaoho has a rich cultural heritage, including traditions, stories, and practices passed down through generations. They have a significant connection to their land and natural resources, and like other iwi, they play an active role in the social, cultural, and economic life of their communities.

Rosehill College upholds the traditional values of Manaakitanga, Rangatiratanga, Whanaungatanga, and Hihiritanga while embracing innovative approaches to teaching and learning. Our goal is to develop graduates who are confident, self-reliant, and possess both self-respect and respect for others.

We celebrate our coeducational and bi-cultural identity and the opportunities presented to establish healthy friendships with people from a diverse range of backgrounds which is Auckland today.

For our whānau and parents of Rosehill College I welcome and encourage a strong and active parent network that will support our Values and Vision of the school.

A HISTORY OF *Innovation and Excellence*

Hihiritanga: “We are resilient and we persevere”

Since its establishment in 1970, Rosehill College in Papakura, Auckland, has been dedicated to shaping the lives of young men and women. Our tradition of academic, sporting, and cultural excellence consistently guides students to aim high and achieve success.

Our Vision and Values

At Rosehill College, our core values—Manaakitanga, Rangatiratanga, Whanaungatanga, and Hihiritanga—are the foundation of our educational environment.

Manaakitanga (Connections)

We foster meaningful connections within our community, encouraging students to build strong relationships with peers, teachers, and the wider community. This supportive environment promotes a sense of belonging and collective responsibility.

Rangatiratanga (Reflection)

We emphasize the importance of reflection and self-awareness, empowering students to reflect on their learning experiences and personal growth. This thoughtful self-assessment prepares students to make informed decisions and take ownership of their development.

Whanaungatanga (Respect)

We promote a culture of respect in all interactions, where students treat each other with dignity, kindness, and understanding. Respect for oneself and others is the foundation of a harmonious and inclusive community.

Hihiritanga (Striving to be Better)

We inspire our students to strive for continuous improvement and excellence, setting high standards and fostering a mindset of perseverance and resilience. This commitment to being better every day ensures students are well-prepared to excel in their future endeavors. These values guide us in creating a supportive and inspiring environment that enhances academic success and prepares students to be responsible, compassionate, and forward-thinking individuals.

Our Motto

“Together we create an environment for personal excellence.”

IDENTITY

Language & Culture Counts

Ko te reo te taikura ke te whakaaio mārama: "Language is the key to understanding"

Our vision at Rosehill College is to foster a culture of excellence through Hihiritanga, Rangatiratanga, Whanaungatanga, and Manaakitanga. We accomplish this by prioritising culture, language, and identity, empowering students to confidently engage as leaders in both Te Ao Māori and the broader world.

Our chosen school values are:

- **Hihiritanga: Strive**
"We are resilient and persevere"
- **Rangatiratanga: Reflect**
"Excellence in all that we do"
- **Whanaungatanga: Respect**
"Together we are more"
- **Manaakitanga: Connect**
"We rise by lifting others"

Under the umbrella concept of Manaakitanga our key actions are those of respect, responsibility and caring.

Our cultural programs welcome all students at all stages in their personal pursuit of excellence. These programs are founded on two pillars: Te Reo Māori me ngā Tikanga (Māori language and customs) and Ngā mahi a Te Rēhia (the arts). The wellbeing of all students is central to our cultural program. Our kaitiaki (guardians) and kaiako (teachers) are dedicated to equipping students to successfully navigate school life. Our 'Taku Raukura' leadership program emphasizes the significant values of tuakana/teina (mentoring), pairing each junior student with a senior student who offers support and guidance. E kore au e ngaro, he kākano ahau i ruia mai i Rangiatea (I will never be lost, for I am a seed sown in Rangiatea).

Celebrating Our Culture, Language, and Identity

Through our cultural programs, we recognise and celebrate the uniqueness of being Māori. We empower our students with the cultural knowledge to confidently embrace their taha Māori (Māori identity) and provide them with experiences that prepare them for success in their communities and beyond.

Anō he manutaki

Kia tau tō atawhai
"Instill your kindness"

We embrace our responsibility as kaitiaki (guardians) of your children, prioritising collaboration between our school and your whānau to build strong, reciprocal relationships. Recognising whānau as the cornerstone of our students' support, we eagerly welcome your active participation in our school community.
